BE WARNED! BLASPHEMIES!

THIS BOOK IS NOT INTENDED FOR CHRISTIANS!
IT CONTAINS BLASPHEMY, AND DOES SO PROUDLY.

THAT IS BECAUSE SOME OF THE PASSAGES MAY OFFEND DELICATE CHRISTIAN SENSIBILITIES, AS THEY ARE, IN FACT, PURPOSEFULLY INTENDED TO DO.

SO, IF THE READER FEELS THAT THERE IS ANY CHANCE WHATSOEVER THAT HE OR SHE MIGHT FIND THE CONTENT (CONSISTING OF THIRTY SIX INDIVIDUALLY BLASPHEMOUS YET ABJECTLY TRUTHFUL QUOTES) OF THIS BOOK OFFENSIVE, THEN THIS READER SHOULD NOT READ ANOTHER PAGE, AND INSTEAD, SEEK SOLACE IN *THIS BOOK IS INTENDED TO OFFEND ATHEISTS*, WHICH, AS ANY CHRISTIAN THAT HAS ACTUALLY READ* IT WILL SURELY AGREE, IS A VERY, VERY SATISFYING READ.

* - That is, any Christian that happens to actually read *books*, as most may read other things, but not actual books (their content).

THE CHRISTIAN STATE

by Chongo

MARCH 2017

PURPOSE OF THIS BOOK

The purpose of this book is to showcase what the true values of a Christian state actually are, by highlighting these values, as they are expressed by Christians in America. But, Christian values are fundamentally the same, in any country anywhere, that is, to indoctrinate others to want what they want them to want. By showcasing the character of these values, as they are expressed in America, they can be appreciated for the actual impact that they have upon the real world, both in America and everywhere else, as well as for the far-reaching impact that they have had on this world after decades of effort and work, successfully indoctrinating most Americans to indoctrinate their own children and family, and friends, to great effect.

Christian state – a world in which church and state are morphed into a single incoherent nightmare, and from which there is no escape to any other elsewhere, until either you, or the state, finally, at long last, die;

DEDICATION

This book is dedicated to the victims of the cruel and selfish policies of the cruel and selfish, sponsors and promoters of any and all Christian political movements, and in particular, those which succeeded in America, but especially, it is dedicated to the memory of my siblings, all younger, each of whom was their victim too; which, in great part, is why this author chooses to write about what he does and why his passion for doing so runs as deeply as it does, expressed in the bitterly harsh and what he hopes are harmfully wounding words that he chooses as his tool. He seeks to expose the genuine character of the ugly evil behind the frail Christian veil, because that is exactly what religious belief deserves in our now scientifically enlightened, modern world, and even deserves so much more, because that is exactly what all of humankind itself deserves, something so much more than petty belief, namely, it deserves *freedom from enforced ignorance* (this being how Christianity always succeeds at its primary business of owning everything that it can).

THE CHRISTIAN STATE

Force Christianity down people's throats, along with the hypocritical values that characterize Christian reality, and the wise will learn to hate it fiercely, while the unwise, as is their tradition, will, as is their course, learn nothing, except how to better submit to Christianity's enforced will, which is why all Christian states are what they are: nations serving the will of a wealthy, ruling class, and to that end, interning or removing, as means to subjugate, the wise, just as they do with the rest of the defiant who, instead of being wise, are simply unlucky, because they were born to parents who were much too far behind, for teaching what it was that their children would later have to face, and these children, now grown but unprepared owe even more, for a fate that they did not choose, since all choice was removed long ago.

THE CHRISTIAN STATE

The Christian state is a world where the inferior overwhelm the superior in order to make what was originally a superior state, by a sheer force-of-numbers monopoly, afterward, inferior, fit only for the inferior and their numbers alone. No one else fits, except, of course, a wealthy, ruling over-class that owns everything for everyone. The new, ruling inferior remain, who slowly, are then overwhelmed too, by those that are more inferior still, in like fashion as the ruling superior were their selves once overwhelmed, by a sheer-force-of-numbers monopoly, until there are none who are left remaining to overwhelm, except those who are yet more inferior still, until, of course, they too succeed, to later then find their selves, like those preceding them, now failing, as they too are yet overwhelmed as those before, although now far more easily than their less inferior predecessors, who mistakenly allowed their reason to be overwhelmed, by short-sighted, immediate want.

Religious tolerance will, always and universally, hijack any secular state that mistakenly permits secularist tolerance of religious liberty; and thereby provides religion liberty to betray its very benefactor by replacing secularism's tolerance of religious liberty with the new religious state's absolute and universal intolerance of *secular* liberty; which is always and universally permanent, as well, and afterward, universally irrecoverable, especially in these modern times of automated surveillance and analysis. Any secular state infected by religion to the point of tolerating it can expect all of its secular liberties to be destined for inevitable, and again, irrecoverably permanent, doom, because that is the business of religion, possessing all, as has been the case since religion began its intrusion into the political state: *with the goal of owning everything, but especially, all of the souls of those trapped within it.*

“[The Christian state is the best of all] ...stunning examples of what always happens when a lesser, local, mediocre deity gets lucky, hits the big time, and lesser, local, mediocre minions, claiming to possess the gift of divine vision and special insight, are then undeservingly empowered, laying claim to the whole of natural truth, all for the sake of mindless greed, not to mention out of what is clearly unmistakable and stark cowardice – but flatly not love – as well, because, in their shallowness, they have simply nothing else providing them a purpose or meaning to what would be otherwise empty lives, except for that [alone].”
